

MORAY APPRENTICESHIP AMBASSADOR DEVELOPMENT PROGRAMME

In partnership with DP Leadership, we are launching a year-long Apprenticeship Ambassador Development Programme for individuals who are:

- Currently undertaking a Foundation (FA), Modern (MA), or Graduate Apprenticeship (GA)
- Or those who have completed one in the past 3 years

An Apprenticeship Ambassador is someone who inspires and informs others about apprenticeships by delivering talks, speaking to young people at events, sharing experiences on social media, and acting as a positive role model.

This is your chance to share your story, inspire young people in Moray, and showcase the amazing apprenticeship opportunities on our doorstep – all while developing key employability skills such as communication, leadership, teamwork, and presentation skills.

If you're passionate about apprenticeships and inspiring others email aimee.stephen.moray@uhi.ac.uk
